1. **Time:** 23/06/2022
2. **Team member present**: Samuel, Thiện Tiến, Anh Thư, Minh Phúc, Minh Quang
3. **Team member absent**: None
4. **What went well?**
- Code UI Forgot Password, Welcome screen, Profile screen
- Deploy database
5. **What went wrong?**
- None
6. **What problem and what caused the problem?**
- Previous tasks still haven't done (Favorite Music API, Forgot Password API, Front End of SignIn, SignUp and Favorite Page)
- What caused the problem: Because of the midterm exam week so there is no time to focus on completing the task stricter
7. **What can be done differently in the next sprint to improve the project**
- Try to manage the time to complete the assigned task
- Project manager will monitor the work progress of the team members more closer
- Assign less tasks to suit each member's ability
8. **What lesson could we learn?**
- Moving from screen to another screen.
- How to make animation on screens.
